Washington, D.C. 20231

Sir:

The Issue Fee for the above-referenced application was transmitted to the patent office on January 24, 1996. Copies of the PTO-85B and 85C transmitting the Issue Fee are attached. At the time the Issue Fee was transmitted, applicants' attorney believed that the application remained entitled to Small Entity Status. Applicants' attorney has now been advised that the case was no longer entitled to Small Entity Status on the day the Issue Fee was transmitted and thus requests that an additional \$650.00 be charged to deposit account 20-1430 as a supplemental Issue Fee. Applicants note the Issue Fee is due on January 31, 1996, so that this supplemental fee is being timely submitted.

Please charge any additional fees or credit any overpayment to the above-noted Deposit Account.
